Detector and Sensor Technologies	7 (M Sc.)	-	Physics-Physics Engineering, Chemistry-Chemical Engineering, Polymer-Materials Engineering, Mathematics-Mathematics-Statistics, Mechanical-Mechatronics Engineering, Electrical-Electrical-Electronics Engineering or Biomedical Engineering undergraduate program is required.

IMPORTANT DATES

Application Deadlines	23/08/2021-27/08/2021 Applications should be done before 5:00 pm.
Announcement of The Results on Website	03/09/2021
Registration	06/09/2021-09/09/2021
Announcement of The Results for Reserve Applications	10/09/2021
Registration for Reserve Applications	13/09/2021-15/09/2021

APPLICATION

Applications to graduate programs will be made online at https://obs.alparslan.edu.tr/oibs/ina_app/.

DOCUMENTS REQUIRED DURING THE APPLICATION PROCESS FOR INTERNATIONAL STUDENTS

1. International Student Application Form must be downloaded from the Institute's website and filled in completely.

See <http://fbe.alparslan.edu.tr/index.php/yukseklisans/>

2. Turkish proficiency certificate (Getting at least 55 points from the exams made by the Language Education Application and Research Center of the Universities).

3. ALES Certificate valid for international students who have completed their undergraduate education in Turkey

4. International students who will apply to the PhD program must get a score of at least 55 from YDS in one of the foreign languages accepted by the Interuniversity Board, other than their mother tongue, or an equivalent score from an exam accepted as equivalent by the Interuniversity Board.

5. Certified copy of passport.

6. Diploma or graduation certificate (Translated into Turkish and approved by the Relevant Authorities).

7. Transcripts (Translated into Turkish and approved by the Relevant Authorities).

8. Equivalency certificate (Approved by the Relevant Authorities).

Note: During Final Registration, the original or certified copies of the above-mentioned documents must be submitted to the institute in full. Applications of candidates who submit incomplete or incorrect documents will be deemed invalid.

INTERNATIONAL STUDENT ASSESSMENT PRINCIPLES FOR ACCEPTANCE

1. In master's degree applications, 70% of the undergraduate grade point average and 30% of the Turkish language certificate score are taken into consideration.

2. In PhD applications, 50% of the graduate grade point average, 25% of the Turkish language certificate score and 25% of foreign language certificate score are taken into consideration.

3. For international students who graduated from a higher education institution in Turkey, 50% of the undergraduate grade point average, 30% of the ALES score, and 20% of the Turkish language certificate score are taken into consideration.

4. Scores are evaluated by converting to 100 grading system.

5. Acceptance is determined based on calculated scores and applicants are admitted to related graduate program.

TUITION FEES FOR FOREIGN STUDENTS

* Student contribution and tuition fee are determined as 5000 ₺ per year.

* The student is supposed to pay healthcare (SGK) payments.

* Payments must be made before the registration period and the receipt must be submitted to the Institute.
